Step 3. Subgrantee Administrator:

Electronic Signature Agreement Process

- ❖ TxDOT-Traffic Safety requires Electronic Signatures by Subgrantee and TxDOT to sign the grant agreement in the eGrants system. TxDOT-Traffic Safety will **not** accept a paper agreement.
- ❖ The Subgrantee Administrator's User Name, Title (in eGrants), Date and Time when Electronic Signature Page gets saved is recorded as the official Subgrantee electronic signature of the organization.
- ❖ Only active Subgrantee Administrator(s) listed on the current grant will be able to save the page. User(s) who are not active Subgrantee Administrator(s) on the grant or Subgrantee Staff will not be able to save the page and no save button will be available.

TxDOT: Traffic Safety Mobilization (IDM & CIOT) Instructions

- ❖ The Subgrantee Administrator's name recorded on the Electronic Signature page in eGrants must be one of the Subgrantee Administrator(s) listed on the Electronic Signature Authorization Form. They must match to be approved by TxDOT. (Name = Prefix, First, Middle Int., Last, Suffix)

This step will include:

1. Print and complete the required Electronic Signature Authorization Form for the current grant.
2. Print a non-legal review copy of the grant agreement.
3. Create a report of all active subgrantee administrator(s) for the current grant.

Definitions

Electronic Signature Authorization Form:

This form is required and lists the **Authorizing Authority** of the organization with their signature and the active **Subgrantee Administrator(s)** who have been given authorization by the **Authorizing Authority** to electronically sign grant agreements/amendments in eGrants on behalf of their organization for the Grant ID listed on the bottom of the form. The form must be delivered to the Authorizing Authority for your organization for completion and signature and uploaded to eGrants before electronically signing the grant.

Authorizing Authority:

An officer of the organization that has the full and complete authority to enter into the agreement on behalf of the organization. It would be same person who could sign a paper agreement in the past. They do not have to be a user in eGrants. **If they are also an active Subgrantee Administrator on the grant and want to electronically sign the grant, then the Authorizing Authority would enter their name as Subgrantee Administrator in the "Authorized to Electronically Sign Grant Agreements and Amendments" section**

Subgrantee Administrator(s):

Active Subgrantee Administrator(s) for the current grant who have been authorized by the **Authorizing Authority in the Authorized to Electronically Sign Grant Agreements and Amendments** section of the **Electronic Signature Authorization Form** to electronically sign the grant agreement/amendments in eGrants on behalf of their organization for the Grant ID listed on the bottom of the form. They have to be active on the Organization and the current grant in eGrants.
