

The approved Volunteer Match Rate per hour to be used on FY 2023 traffic safety grants is \$ 28.14

Volunteers includes those assisting traffic safety programs for bike, occupant protection, safe communities, alcohol and other drugs, CPS technicians and instructors and other general traffic safety activities. This rate is based on the most recent (2021) Texas rate found on the Independent Sector website. The link to the independent sector site is: <https://independentsector.org/resource/value-of-volunteer-time/> and then click on “Read the full report” to find the rate for Texas.

These rates can also be used for planning purposes for submitting FY 2024 traffic safety proposals once the Request for Proposals is issued.

Please contact your TxDOT Project Manager if you have questions.
